

“WHALE OF A TIME RALLY” - NEWSLETTER No. 5

With three weeks to go — and some of you already on the road — here’s our final National Meet update to make sure you’re all ready to roll.

Rally HQ – Retravision Stadium, 156 Lockyer Ave., Centennial Park.

Vehicle Trailer Parking

Please check with your accommodation to confirm they have space for your trailer. If not, contact Rally Committee Member **Gary Moore** on **0409 337 629** ASAP to book a spot. Trailer parking is limited and kindly supported by the Albany Chapter of the Veteran and Classic Car Club of W.A. (Inc.)

Registration – Sunday, 18 October (1pm – 4pm)

Head upstairs at Retravision Stadium to collect your Rally Bag and any pre-ordered merchandise. Inside your bag you'll find:

- Rally Program
- All Event and Meal tickets
- Your run colour group
- Helpful info for the week – and other goodies.

Upstairs you'll also find **Major Raffle tickets** and **craft items** for sale. Downstairs you can visit our **sponsor displays**, **vintage shop** and a **vintage wedding display**. EFTPOS is available for raffle and craft purchases. These operations will be open at all times when an event isn't happening; please feel free to support them.

Club and State banners

Don't forget to bring your **Club Banners** and **State/Country flags** to display in the Main Hall, when you come to register.

Hubley Racing

Bring your Hubleys to the track to practice and for race registration on Monday evening with the Race of the Meet on Tuesday evening.

Period and Theme Clothing

Period and Theme (Whaling history) clothing is encouraged throughout the Meet. Our eagle-eyed judges will be looking for standout attire at events such as the Mandatory Run, Static Display and Gala Dinner.

Share Your Journey

We've created an online photo-sharing platform (similar to Facebook) where you can share your travels before, during, and after the Meet.

No registration needed — just enter a name and start uploading. You can like photos, comment and chat on the guestbook. We've added a few pictures from the Facebook group to get things started.
