NOTE 1. The above examiners and authorised premises are appointed by the Department of Transport to examine vehicles for licensing purposes for Class B Concession Type Code 404.

NOTE 2. Vehicles being licensed for concession Code 404 Class B can also be examined at a DoT examination centre or at an Authorised Vehicle Examination Centre. Motor vehicles from Jan. 1970 and motor cycles from July 1975 not previously licensed in Australia can only be inspected at a DoT Authorised Examination Centre.

NOTE 3. The above AIS /AVE are approved for the examination of light vehicles only, i.e. less than 4500kg GVM. AIS marked with an * (Asterix) examine motor cycles only. For examination of a motorcycle the examiner must hold the current appropriate rider's licence.

NOTE 4. It is essential that individual AIS/AVE personnel are contacted prior to an examination to arrange an appointment.
