

OCTOBER RUN—BEVERLEY---YORK---GREENHILLS 28<sup>th</sup>—29<sup>th</sup> SEPTEMBER

Meet at Karragullen Service Station. 9.00am Coffee, fuel, toilets.

Leave 9.45am. Along Brookton Highway taking in the scenery and note the chairs along the roadside, some with names.

Approx. 25miles veer left at Westdale Road—sign saying Westdale to Beverley.

Approx 15mls T. ROAD -- turn left towards Beverley (Great Southern Highway) .

There are no public toilets at the museum so we will stop in the main street of Beverley before visiting Ferguson's Museum which is on our right as we come into Beverley. We will be visiting this Vintage Machinery and Collectables Museum situated on your right, owned by Kathleen and Barrymore Ferguson. –Donation entry fee.

From the museum we continue back the main street of Beverley, follow thru until you see the Railway Station on your left (now restored as an Art Gallery) where there is ample parking. Lunch stop and meeting will be held behind the Gallery on the lawned area.

There is an aero museum at the Information building on your right. It is not usually open on Sunday but when we contacted them they were going to see if a volunteer would be there for us. We will know on the day!

Please note this is a country town and it is Sunday---so I would not rely on anything being open.

Those that are going on to York, head back up the main street and turn Right—back onto the Great Southern Highway and head for York. As you enter York, Turn Right into Glebe Street (opposite the Castle Hotel)—turn Left into Lowe Street there is parking and toilets at this park. We will park and check out the town.

For those heading home via the Great Eastern Hwy you would turn Left at the stop sign opposite the Gull Service Station seen as we come in from Beverley.

GREENHILLS----- approx. 20 K.Ms ---from the park, cross over the River(Avon) T.R then veer left into York/Quairading Road.

Continue approx 15 k.ms. After the 2<sup>nd</sup> railway crossing turn immediately Left into Greenhills Road.

Greenhills Hotel is about 4 kms in from the railway turn. Contact – Rachael -96414095
